Guidelines for Authors

Manuscript submission

- Articles should be submitted following the structure: Title, Authors details (full name and affiliation, address and e-mail) Abstract (max. 300 words, without references), Keywords (3-7), Introduction, Materials and Methods, Results, Discussion, Conclusion, Acknowledgments and Reference.

- The manuscript should have a uniform style, written in Times New Roman font: 12 pts for the main text and all additional parts, and 10 pts for endnotes. All text should be single-spaced.

- Figures, Tables and a List of figures must be submitted as separate files (Word document for a list of figures, .jpg, and .tiff format for illustrations). Please submit tables as editable text and not as images. Figures should be numbered and referred to by number in the text. It should be indicated in the manuscript where the table, graph or figure is to appear in the publication. Each figure should be described and referenced. Figures should be prepared to fit 300 dpi.

Citation of illustrations used in the text

- Illustrations in the text should be cited in brackets containing a designation of the illustration and its number: illustrations (Fig. 1), tables (Tab. 1).
References

References in the text:

- References should be quoted in the text as name and year within brackets. Specify the author's name, the publication date (not separated from the name by a comma) and then a colon and the page number (Lucas 2001: 98).
- Multiple citations should be listed chronologically, e.g. (Sinopoli 1991; Rice 1996; 1997).
- If the cited work has more than two authors, it is not necessary to cite the names of all authors in brackets, rather just the first author followed by et al.

Reference list

- References should be arranged first alphabetically and then further sorted chronologically.
- More than one reference from the same author(s) in the same year must be identified by the letters 'a', 'b', 'c', etc., placed after the year of publication.
- In the case of collective monographs after the editor's name place the abbreviation 'ed.' or 'eds.' for several editors. The titles of monographs and Journals are written in Italics.

Examples:

- Reference to a book:

• Reference to the editorial book:

• Reference to a chapter in an edited book:

• Reference to a journal publication:

Reference links

• Reference to a web site:

• Reference to DOI:

Increased discoverability of research and high-quality peer review are ensured by online links to the sources cited. Use of the DOI is highly encouraged. A DOI is guaranteed never to change, so you can use it as a permanent link to any electronic article.
